

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

CONSTITUTION.

ARTICLE I.

NAME.

The name of this Association is THE UNIVERSITY ATHLETIC CLUB.

ARTICLE II.

OBJECTS.

It is the principal aim of this Club to furnish athletic facilities for its members, and to cultivate a love of athletic sports in the amateur spirit without a trace of professionalism.

ARTICLE III.

OFFICERS.

The officers of this Club shall be a President, a Vice-President, a Secretary and a Treasurer.

ARTICLE IV.

THE PRESIDENT.

The President, and in his absence the Vice-President, shall preside at the meetings of the Club and of the Council. In

the event of their absence, a meeting of the Club or of the Council may elect its presiding officer. The President shall, with the Secretary, sign all written contracts and obligations of the Club, and shall perform such other duties as the Council or the Club may assign to him.

ARTICLE V.

THE TREASURER.

The Treasurer shall collect all entrance fees and all dues and moneys owing to the Club, and shall keep the accounts of the Club, and report thereon at each regular meeting of the Council. His accounts shall be audited by the Auditing Committee semi-annually, or oftener in their discretion. He shall pay all bills on the certificate of their correctness by the House Committee. He shall notify persons elected to membership of their election.

ARTICLE VI.

THE SECRETARY.

The Secretary shall give notice of all meetings of the Club and of the Council, and shall keep minutes of such meetings. He shall conduct the correspondence and keep the records of the Club. He shall furnish to the Treasurer the names of all members elected to membership, and shall be the keeper of the seal of the Club.

ARTICLE VII.

THE COUNCIL.

1. The Council, who shall also be the Trustees of the Club, shall consist of twenty members, one-third of whom (as nearly as may be) shall be elected by ballot at each annual meeting of the Club to replace the outgoing class, and to take office at the expiration of the term of such outgoing class. They shall hold office for three years or until the third annual meeting after their election. The Council shall have general charge of the affairs, funds and property of the Club. They shall have power, and it shall be their duty, to carry out the purposes of the Club, according to its Charter, Constitution and By-laws. The nine Trustees of the Club for the first year of the Club's existence, with eleven others to be selected by the said Trustees, shall constitute the Council for the first year. They shall divide themselves into three classes as nearly equal in number as possible : one class to hold the office for one year or until the next annual meeting ; another class to hold office for two years or until the second annual meeting thereafter ; the third class to hold office for three years or until the third annual meeting thereafter.

2. The Council shall, as soon as may be after its members first take office, and thereafter as soon as may be after each Annual Meeting, elect from its own body a President, Vice-

President, Secretary and Treasurer, who shall hold office until the second Saturday of the succeeding January, and until their successors are elected.

3. The Council shall submit at each Annual Meeting a general report of the affairs of the Club with an estimate for the ensuing year, which shall be printed and distributed to the members one week before the Annual Meeting, and shall report at other times, if required.

4. The Council shall meet once a month, except during the months of July and August, and Special Meetings may be called by order of the President or of the House Committee. A majority of its members shall constitute a quorum of the Council.

5. The Council shall prescribe rules for the admission of strangers to the privileges of the Club.

6. The Council may fill any vacancy in the body by election of a member to hold office until the next annual meeting, or at its election call a special meeting of the Club for that purpose.

7. The Council shall have power to remit penalties for offences against the Rules, and for unintentional violations of the Constitution.

8. The Council shall have power to make, revise and amend such By-laws as they deem necessary.

ARTICLE VIII.

MEETINGS AND ELECTIONS.

1. There shall be an Annual Meeting of the Club on the second Saturday of January in each year, and at each Annual Meeting, members, six or seven—as the case may be—shall be elected by ballot as members of the Council (to replace the outgoing class) whose term of office shall be for three years. Vacancies in the other classes shall also be filled at such meeting by ballot. A majority of the votes cast shall be necessary to elect.

2. Officers and members of the Council shall hold office during the term for which they are elected and until their successors are chosen.

3. Upon the written request of twenty-five members the Council shall call a Special Meeting of the Club, which request, as also the notice of any Special Meeting, shall state the object for which the meeting is called, and at a Special Meeting no subject, not so stated, shall be considered. Notices of any meeting, whether Annual or Special, shall be posted in the rooms of the Club for one week. Fifty members shall constitute a quorum at any meeting of the Club.

ARTICLE IX.

QUALIFICATIONS OF MEMBERS.

1. Any person shall be eligible to membership in this Club who shall have received from a University or College a degree, to obtain which, in regular course, at least three years' residence and study are required, or who shall have received an honorary degree from such University or College, or shall have graduated at the United States Military Academy or at the United States Naval Academy.

2. The Council shall determine what degrees from foreign Universities shall qualify the holder for membership; and a list of such degrees shall be posted in the office of the Club. The holder of any degree named on such list shall be eligible to membership.

3. The Council may elect as Honorary Members, by unanimous vote only, persons not necessarily qualified for ordinary membership by the possession of a College or University degree. Such Honorary Members shall have all the privileges of ordinary membership, except the right of voting and holding office, and shall not be required to pay any entrance fee or dues. But no person shall be elected to honorary membership unless notice shall have been sent to each member of the Council at least ten days prior to the meeting at which the name of such

person shall be voted upon. Such notice shall contain the names of the person and of his proposer and seconder, who must be members of the Council.

The number of such Honorary Members shall not at any time exceed ten.

ARTICLE X.

COMMITTEE ON ADMISSION—ELECTION OF MEMBERS.

1. The Council shall act as a Committee on Admission either through itself or by a sub-committee until a meeting of the Club is called to elect such Committee on Admission to consist of twenty-one members, who shall divide themselves into three equal classes, one class to hold office for one year or until the next annual meeting; another class to hold office for two years or until the second annual meeting thereafter; the third class to hold office for three years or until the third annual meeting; and thereafter seven members of said Committee shall be elected by ballot at each annual meeting of the Club, to replace the outgoing class and to take office at the expiration of the term of such outgoing class. The term of office of the members of this Committee shall be three years or until the third annual meeting after their election.

2. A majority of the votes cast shall be necessary to elect; and vacancies in any class shall be filled by the Committee.

Eleven members shall constitute a quorum, and two negative votes shall reject a candidate. No member of the Council shall be a member of this Committee except as otherwise herein provided.

3. The name, residence, College, or place of instruction, class and degree of every person proposed for admission, with the names of the members proposing and seconding, shall be exposed in a conspicuous place in the Club House for at least one month. The Committee on Admission shall then have power to act. The proceedings of this Committee shall be secret and confidential. It shall be the duty of the Committee after careful consideration and examination, to vote upon each name separately and by ballot. Until the Club House is opened to members generally, the Committee may make its own rules for the election of members subject to the above provisions for secrecy.

4. No member of this Committee shall propose any candidate for membership of the Club. On the election of each new member, the Committee shall forthwith notify the same to the Treasurer and to the Secretary of the Club.

5. The number of resident members of the Club shall not exceed one thousand.

ARTICLE XI.

RESIGNATIONS.

Resignations of membership shall be made to the Secretary in writing. Such resignation shall not be accepted until all indebtedness to the Club, of the member resigning, shall have been discharged.

ARTICLE XII.

DUES.

1. The entrance fee shall be fifty dollars for resident members and twenty-five dollars for non-resident members; but every non-resident member, who shall become a resident member, shall pay to the Treasurer an amount equal to the difference between his original entrance fee and the entrance fee for resident members at the time of his admission as a non-resident member; and a failure to pay said sum shall be considered a failure to pay dues, and shall subject a member in default to the penalties prescribed in Section 8 of this Article.

2. The annual dues of resident members shall be fifty dollars, and of non-resident members twenty-five dollars, payable semi-annually, in advance, on the first days of April and October.

3. Persons not residing or having a place of business within

twenty miles of the City Hall in the City of New York, may be elected as non-resident members; and any member who removes his residence and place of business to a distance of at least twenty miles from said City Hall, on written notice to the Treasurer of such removal shall become a non-resident member.

4. No non-resident member of the Club shall be entitled to vote at any meeting of the Club, or to hold office.

5. Non-resident members who may change their residence or place of business so that they would be ineligible for election as non-residents if not already members of the Club, shall become resident members under conditions heretofore specified, and shall notify the Treasurer in writing of such change.

6. Candidates elected shall become members of the Club on payment of the entrance fee and of the dues for the current half year, and the election of any candidate shall be void if he fail to make such payment within thirty days after notice of his election is mailed, addressed to him at the place given as his residence on the posted list of candidates. There shall be no dues until after March 31, 1892.

7. Officers of the Army and Navy eligible to membership shall be considered as non-resident members, except that,

when ordered on service outside the limits of the United States, or when stationed at a post, distant more than two hundred and fifty miles from New York City for a period longer than one year, their dues shall be remitted during the period of such service.

8. The names of all members who shall fail to pay their semi-annual dues on or before the first days of May and November, shall be then posted in a conspicuous place in the Club House, and if such dues are not paid on the first days of June and December thereafter, such members shall cease to be members of the Club, subject, however, to the provisions of Article VII, Section 7, of the Constitution.

ARTICLE XIII.

EXPULSION, SUSPENSION AND FORFEITURE OF MEMBERSHIP.

Any member may be suspended or expelled for cause, by a vote of three-fourths of the members of the Council present at a meeting of the Council; provided, however, at least twelve votes are cast in favor of such suspension or expulsion, one month's previous notice in writing having been given to the member, with a copy of the charges preferred against him. And in like manner and upon like charges and notice, any member of the Club who is, or becomes, a professional athlete, may be declared to have forfeited his membership.

ARTICLE XIV.

GAMBLING.

No betting, or card-playing for stakes, shall be allowed in the Club rooms.

ARTICLE XV.

RULES.

The Council shall prepare and enforce Rules regulating the use of the Club rooms by the members.

ARTICLE XVI.

APPOINTMENT OF COMMITTEES.

The Council shall appoint from its own members, a House Committee, an Athletic Committee, and an Auditing Committee, to be Standing Committees for the current official year and until their successors are elected; and also such other Standing or Special Committees as the Council may from time to time deem necessary. The number of members composing each Committee and the respective duties of each Committee, are to be determined by the Council.

ARTICLE XVII.

RULES OF COUNCIL AND COMMITTEE ON ADMISSIONS.

The Council and Committee on Admission shall each have

power to make rules for its government, and to prescribe and enforce penalties for the violation of such rules.

ARTICLE XVIII.

NOTICES TO MEMBERS.

Any member may enter in a book, to be kept at the office, a mail address, to which all notices to be sent to him under the Constitution or Rules shall be directed.

In default of such entry, such notices shall be served by depositing them in the Club letter box, addressed to the member, who shall be held to have received them ten days after they shall have been so mailed or deposited.

ARTICLE XIX.

SEAL.

The seal of the Club shall be circular in form and contain the following: "The University Athletic Club, Incorporated 1891," with any device that may be selected by the Council.

ARTICLE XX.

AMENDMENTS.

The Constitution may be amended at any meeting of the Club, annual or special, by a vote of two-thirds of the members present. Notices of proposed amendments shall be furnished

to the Secretary and posted in the Club rooms at least twenty days before the meeting at which it is proposed to consider them, and the Secretary shall cause such notices to be printed and sent to each member, at least ten days before such meeting.

ARTICLE XXI.

Until the Club House is open for the use of members generally, all provisions as to posting herein made, shall be suspended and all notices herein required to be given to members shall be sent to the address of each member, as given to the Secretary. All notices of election shall be sent to the address given to the Secretary by the proposer. A failure to give any address to the Secretary shall relieve him from all obligation to send notices.

BY-LAWS.

I.

ORDER OF BUSINESS.

At the Annual Meeting of the Club the order of business shall be :

1. Reading of Minutes.
2. Report of Council.
3. Report of Treasurer.
4. Report of Standing Committees.
5. Other Reports and Communications.
6. New Business.

But this order may, for any meeting, be changed by a majority vote of the members present.

II.

ATTENDANCE AT MEETINGS.

None but members shall be present at any meeting of the Club or Council.

III.

NOTICES OF MEETINGS.

Notices of Annual Meetings of the Club shall be mailed to every member ten days, and of Special Meetings five days, before such meetings respectively.

IV.

SPECIAL NOTICE OF COUNCIL MEETING.

In no case, when a resolution has been passed at a meeting of the Council affecting the relations of any member of the Club towards the Club, shall such resolution be reviewed or rescinded at a subsequent meeting without notice in writing being sent by the Secretary to every member of the Council at least six days before the meeting, that such previous action will be brought up for review or reconsideration.

V.

THE HOUSE COMMITTEE.

The House Committee shall consist of three members. It shall be its duty, subject to the control of the Council, to manage the Club House, to regulate prices, to order purchases, to appoint and dismiss all employés, to audit bills, to receive complaints, and to remedy grievances relating to the management of the House.

VI.

THE ATHLETIC COMMITTEE.

The Athletic Committee shall consist of five members. It shall be its duty to supervise the athletic interests of the Club, to advise the Council in respect thereto, and, in case the intervention of this Club is requested in respect to any matter

affecting or relating to the athletic interests of any college or university, it shall be the duty of this Committee to act in the premises when authorized so to do by the Council.

VII.

THE AUDITING COMMITTEE.

The Auditing Committee shall consist of three members. It shall audit the accounts of the House and other disbursing committees, and of the Treasurer, semi-annually, and report to the Council the accounts audited and allowed since its previous report. It may also act as a Finance Committee, with such duties and powers as the Council may prescribe.

VIII.

THE ENTERTAINMENT COMMITTEE.

The Entertainment Committee shall be composed of five members of the Club, of which the Chairman of the House Committee shall be *ex-officio* a member, which shall have charge of all whist, billiard, pool, bowling, racquet and other tournaments held in the Club House, and shall in general provide and take charge of such entertainments as they shall deem advisable to give. This Committee shall not incur liabilities until an appropriation shall be made to its credit by the Council, nor beyond the amount of such appropriation.

IX.

NOTICE OF INDEBTEDNESS.

On the first day of each month, or as soon thereafter as may be practicable, a notice of the amount of his indebtedness shall be sent to each member in arrears on the last day of the preceding month. If such indebtedness exceed ten dollars and be not paid on or before the fifteenth day of the month, the names of the members, together with the amounts due, shall be posted on a sheet in the hall, and such member shall be refused further credit until his indebtedness be discharged.

Should, however, a member become indebted to the Club at any time in the sum of one hundred dollars or more, he shall be immediately notified of the same, and, upon failure to pay the indebtedness within one week after notification, his name shall be posted and his credit suspended; and in every case where credit is suspended, no further supplies shall be furnished or credit given to such member until the indebtedness already incurred shall have been discharged.

X.

AMENDMENTS.

These By-laws may be amended, altered or repealed at any time by a majority vote of the entire Council.

HOUSE RULES.

I.

The house will be open at 8 o'clock A. M. from November 1st to May 1st, and at 7 o'clock A. M. from May 1st to November 1st. Members will not be admitted after 12:30 o'clock A. M. The house will be closed at 1:30 o'clock A. M.

RULES
FOR THE
ADMISSION OF VISITORS
TO THE PRIVILEGES OF
THE UNIVERSITY ATHLETIC CLUB,
PRESCRIBED BY THE COUNCIL.

I.

Any person residing not less than twenty miles from the City of New York, and not having a place of business in said city, may, on introduction by a member, enjoy the privileges of the Club House for any time not exceeding one week.

No person shall be introduced under this rule more than twice in any calendar year ; and no member shall have more than two such guests at any one time.

Anyone residing within twenty miles of the City Hall may be introduced to the privileges of the Club for one day, not oftener than once in three months ; but such person is not entitled to the use of the racquet courts, gymnasium or baths.

RULES OF THE COMMITTEE ON ADMISSION.

I.

Names of candidates shall be entered in a book to be kept in the office of the Club, and posted in accordance with the Constitution. In such book shall also be entered the College at which each candidate graduated, the year of his graduation, his residence and his profession or occupation, and if he have no profession or occupation that fact shall be stated. Until such entry is made and signed by the proposer and seconder, the name of a candidate shall not be posted. The Secretary of the Committee may sign for members who are absent from the city upon written request.

II.

If the name of any candidate is called up for consideration at a meeting of the Committee, and it shall then appear that letters of recommendation have not been received from both the proposer and seconder, the name shall be passed, and the Secretary shall immediately notify the proposer and seconder that the nomination cannot be acted upon without a proper letter of recommendation. In case no such letters are received before the next following stated meeting, the candidate shall be deemed withdrawn, and his name shall be dropped from the list.

III.

The name of no candidate for non-resident membership shall be considered by the Committee unless a letter respecting his candidacy shall have been received from a resident member of the Club, or unless such candidate shall be personally known to some member of the Committee.
